MESSAGE FROM CEO

In September 2022, your credit union finished at the top for Member Value in the State of Louisiana once again, as determined by Callahan & Associates, an independent organization that tracks and ranks all credit unions in the U.S. on the value they bring to their members. In addition to the value you receive by banking with us, we have some exciting new services in the works to make your banking experience easier and more convenient. Look for announcements coming soon! And if you have not heard already, we rolled out a card management feature in November. Visit our website efcufinancial.org for more information on how this service can make managing your credit and debit cards a breeze with our Mobile Banking App. Good things keep coming for EFCU Financial members in the new year!
